

CURRICULUM OVERVIEW

Friendship
MINISTRIES

Note: Page 1 of this overview presents a summary of each resource. The following pages outline the content of each resource in greater detail.

FRIENDSHIP BIBLE STUDIES present God's Word. The nineteen units (each with four sessions and a review session) are grouped into three major sections:

God, Our Father (OT) - Seven units tell the story of God's creation, God's covenant relationship with his people, and God's promise to send a Savior. God loves and cares for us too.

Jesus, Our Savior (NT) - Six units are devoted to the stories about Jesus' life from his birth to his resurrection as told in the four gospels. God's promise to send a Savior was fulfilled; that good news is still offered to us today.

The Spirit, Our Helper (NT) - Six units highlight the work of the Holy Spirit in the early church as told in the book of Acts. The Holy Spirit also works in our lives today.

EXPRESSING FAITH IN JESUS answers the why and how questions church leaders often ask about including people with cognitive impairments as full church members.

Book - provides biblical guidance to churches; a description of roles for the friend, mentor, church leaders, pastor, and family; and suggestions to make the invitation, preparation, interview with church council, rehearsal, and worship ceremony meaningful.

Resource Kit - This resource for preparing people with cognitive impairments to become full members of the church includes a mentor's guide for the preparation class, a study guide to use during the preparation sessions, and a keepsake certificate to present at the worship ceremony.

LIVING GOD'S WAY is based on the Ten Commandments and offers practical guidance on living the Christian life. This newly rewritten course includes an overview session, 10 sessions on the commandments, a two-part review session, and a celebration session.

FRIENDSHIP LIFE STUDIES focus on a variety of topics. These mini-courses (each with four sessions and a review session) focus on issues our friends face in their daily lives and encourage them to apply truths from stories in God's Word to these situations. Together, friends and mentors are challenged to use their gifts to love and serve God and others at home, at work, and in their faith community.
